FREIGHT / SHIPPING POLICY**ORDER CUT-OFF TIMES**

- Order cut-off time for **Purolator** (default) is 1500h (**3:00pm**) MT daily.
- Order cut-off time for DHL or **other couriers** is 1200h (**12:00pm**) MT daily.

All freight policies outlined below apply to western Canada, excluding remote areas. Shipping charges to eastern Canada, the territories and the U.S. will vary. Please contact us for a freight quote.

PREPAID FREIGHT LEVEL

- Prepaid freight level is \$1,000 before GST.
- Bassworx product must total \$1,000 to be shipped prepaid by B&B, even if shipped with other product.
- Audio orders (i.e. Clarion) are not eligible for prepay and do not count towards prepay.

STANDARD FREIGHT CHARGES

- Western Canadian orders not eligible for prepay will be charged \$15 under 20 lbs, or \$25 over 20lbs.

BASSWORX

- Bassworx enclosure orders of \$1,000 are shipped freight prepaid by B&B.
- Bassworx orders not meeting prepaid will be charged \$8/box.
- Specialty boxes will be charged an additional \$10/box (i.e. \$18 total/box), due to special handling.

RETURNS

- RMA/RWA are sent in prepaid by our clients. Replacement product will be shipped out prepaid by B&B (except to remote areas).

BACK ORDERS

- Customers will be notified when back orders are available. **Must be shipped with next order within 30 days.**

SPECIAL ORDERS

- Special order items are not eligible for prepay; freight charges will be calculated individually
